The Hitching Post in Malta, Montana:

Hello to everyone from our expedition crew. When in Malta eat at the Hitching Post. After eating dinner here the night before we returned for breakfast. As we parked our vehicle the next morning we noticed a number of fresh hoof prints in the earth. People on horseback had hitched up their horses that morning at the cafe.

We have discovered that Montana is a large state with much to explore!

Stacey, Stuart and the crew.
